

# HOW CAN A BUSINESS? REDUCE THEIR PLASTIC

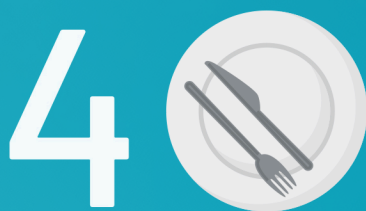

1 Inspire your colleagues, hold an ocean plastic talk.

2 Organize a beach or neighbourhood cleanup as a team building event.

3 Provide unlimited filtered tap water.

4 Have reusables in kitchens & canteens.

5 Reduce plastic in office tea & coffee.

6 For events & holidays choose to use or give reusables.

7 Ask your co-workers for ideas on how to reduce plastic in their work.

8 Request suppliers use less plastic packaging and offer more sustainable alternatives.

9 Share your successes, inspire others to act too.
